

# Morehead State University Volleyball 1980

# Outlook

After a 30-12 season, Morehead State University Head Volleyball Coach Laradean Brown expects an even stronger team with more depth for 1980.

The Lady Eagles finished second in the Kentucky Women's Intercollegiate Conference (KWIC) and third in Region II.

"Last season was filled with good memories," Brown said. "We enjoyed replaying the David vs. Goliath story by defeating larger schools such as Ohio State, the University of Tennessee, Memphis State, and North Carolina."

Losing only three players, Brown will look to four freshmen to fill the gaps.

Lady Eagle recruits include Patty Koch and Tracy Slater of Michigan City, Ind.; Sally Liber, Cincinnati; and Debbie Trottier, LaPorte, Ind.

"These four freshmen will eliminate some of our weak areas and will be able to help us immediately," said Brown.

Brown says the most improved area of team play will be the setting-spiking communication and coordination.

"We will be spending more time working with our setters this year and feel we have valuable talent and depth in the setting position," she said.

Returnees in the middle include Martha Rust, 5-11 Southgate sophomore, and Sharon Stowers, 5-10 Covington senior. Both were named to the Region All-Tournament team last season.

"Our height will not be as much of an advantage as in the past because our 5-11 girls will be looking up at many of the opposing middle blockers this year," Brown added.

Other returnees include Vicki Arlinghaus, Elsmere junior; Lisa Luthy, Bellevue junior; Peg Hofmann, Cincinnati sophomore; Becky Peterson, Fairfield, Ohio, sophomore; Margie Ruschman, Newport senior; and Donna Wiziecki, Michigan City, Ind., senior.

The Lady Eagles open the 1980 season Sept. 6 at the KWIC Preview Tournament in Lexington.

# Head Volleyball Coach

**Laradean Brown**

Coach Laradean Brown's volleyball team has been known for its consistency. As the 1980 season opens, she hopes this year's squad will continue that tradition.

Brown's eight-year coaching record is 216-56-7. She is also MSU's coordinator of women's athletics.

"We passed our 1979 season's goal of winning 71 percent of our matches (30-12)," said Brown. "Although our dreams exceeded our grasp for post-season play, we were happy to touch our goals with a runner-up position in the KWIC and a third place finish in Region II."

She is married to Dr. Michael Brown, professor of health, physical education, and recreation at MSU.

The Browns have one son, Greg, 12.
